Hello everyone,

A huge bouquet to Ms. Cameron for organizing our Remembrance Day assembly today. Also, a special thank you to retired Master Corporal Wade Wick for his thoughtful words and to Ms. Helen Haney for representing the legion. Between the grade 3's singing and the 4/5's reading 'In Flanders Fields', it was a very respectful and successful ceremony.

Parent/Teacher Meetings – November 21st – No School - You will be, or already have, received a schedule from your teacher about a parent /teacher get together. This may look different from teacher to teacher. Please let us know if you have any questions.

Parking lot

I try not too 'pester' too much about the parking lot, however, we had a few close calls out there this week, so here it goes.

1. Please remember that we have one 'IN' lane and two 'OUT' lanes. I have seen some close calls with people coming down the wrong lane.
2. Please do not park in the Drop Off zone. We really rely on that lane flowing smoothly.
3. Finally, related to number 2, please don't stop in the laneways as people have had some trouble getting out of their spots.

We have had our last Wheelie Wednesday for 2024. A huge thank you to Ms. Honeysett, Ms. Goff and all other volunteers that helped us out this year. Thanks to everyone for your patience with the parking. Our community feels strongly about this activity and we thank you for your understanding.

I have attached the November monthly newsletter from our Youth and Family Program Worker (YFPW) Ms. Stacy Jacobson with lots of good info.

I have also cut and paste a bunch of information that the District has asked me to share with you into a Word document and attached it here. I just didn't want it all in my WAAG 😊 However, it talks about three important dates including the Montessori Open House, The StrongStart Program as well as an upcoming presentation on ADHD being held at Mark Isfeld Highschool.

Alright...on with the weekend. Hope you have a great one. See you all on Tuesday.
