

Sandwick Continuing Education

WHIMIS Application

WHIMIS Certification

Sandwick School is a facility that is structured to support the exploration and preparation of job-related skills for students, so that they can be prepared for part time work during their schooling years, and for work after graduation. Currently, we are offering WHIMIS certification for students in the Comox Valley, SD71. Students can work with their Careers team to schedule a date that works for them.

The student will attend from 1:00pm to 3:00pm.

Scheduled Dates to attend: _____

For additional information, please contact your school Careers Department.

Location: **Sandwick Technical
School
2947 Rennison Rd
Courtenay, BC V9N 7J3**

Sandwich Continuing Education

WHMIS Application

Certificate Details: Canadian law requires that any person exposed to hazardous materials in the workplace must be trained in Workplace Hazardous Materials Information System (WHMIS). This comprehensive WHMIS 2015 course includes the new Globally Harmonized System of Classification and Labeling for chemicals (GHS) enacted in 2015. It also covers content from the previous WHMIS system (WHMIS 1988).

Parent/Guardian Names: _____

Parent/guardian phone number: _____

Emergency daytime contact number: _____

Medical #: _____

Medical Alert? _____ If yes explain _____

Every effort is made to provide a safe working environment; however, there are risks inherent in the activities undertaken.

It is important that the student and parent/guardian have read the above and discussed the WHMIS Course with the school staff. We understand the nature of the work and the hazards involved.
