Judi's Note to families...

I hope everyone has had a wonderful week. It's been another busy time at the school with so much great learning happening. We're happy to have our Thursday hot lunch back for the rest of the year. Thank you to the parents who continue to volunteer their time to make our food programs happen. I know the PAC is hoping to recruit more volunteers for next year so this amazing program can continue. Thursday was a big day! We had Jennivieve in the school to facilitate clay workshops with each of the classes. We also had Nathan from the Vancouver Island Regional Library in Qualicum visit each class to talk about the VIRL Summer Reading Program. A notice and bookmark went home with your child. Finally, we had an assembly to celebrate Mary. Mary has been the school custodian for 33 years and is excited to begin her retirement. She will be missed. We wish her well.
