Judi's Note to families...

I hope everyone had an awesome long weekend and an even better week. It's hard to believe that we're already entering the final week of May on Monday. This past Tuesday, all the students enjoyed learning from Elder Barb Whyte. Each class spent time with her and planted Salad Pots to take home for their gardens. The much-needed rain forced the K/1 class to

postpone their trip to Tribune Bay till Monday, but the Grade 5/6/7 class managed to attend the Coding Quest Arcade at Lake Trail Community School today. We're happy that the Sentinels of Change project will proceed next week and we're looking forward to celebrating Mary on Thursday! Please feel free to pop by the school to wish her well in her retirement. I wish you all a lovely weekend!
