The Isfeld compost program is back! Food waste is the largest component of landfills at 24%, that is more than plastic (18%), paper (12%), metal (9%), and glass (5%). Help cut down on Isfeld's waste by putting any food scraps in the compost bins. There are compost bins located in every pod, both foods rooms, and two by the gym. In these bins you can compost any food from fruit and vegetables to meat and bones, don't let your food scrapes go to our land fill, help the environment and participate in composting at our school.
