

ANNUAL WALKING FORM

September 2024

Dear Parent/Guardian,

The purpose of this form is to inform you about some of the out-of-school activities and/or events in the local school community in which your child will participate during the course of this school year. Your signature at the bottom of this form confirms that you are aware of the information provided in this letter and permit your child to participate in these activities.

School District 71 and the staff of **Miracle Beach Elementary** recognize that valuable and unique learning can take place outside of the school building. We are therefore encouraged to make use of the total resources available in the local community to meet curricular goals.

During the course of the school year, student groups will engage in activities within the local community that take them out of the school building and, on occasion, off the school grounds.

The risk of injury exists in all student activity. However, due to the very nature of some activities, the risk of injury may increase. The safety and well-being of students is a prime concern, and every effort is made to minimize the foreseeable risks in each activity.

If, for some reason, your child cannot or ought not to participate in local activities of this nature, please let us know.
