Drop Off and Pick Up

We kindly ask that parents refrain from parking in the school parking lot during drop-off and pick-up times. To keep traffic flowing smoothly and ensure the safety of all students, please use the designated Drop and Go area. This space is designed for quick drop-offs, so we ask that drivers remain in their vehicles and avoid parking or stopping for extended periods.

It's also important to stay clear of the bus lane, as this area is reserved for buses to load and unload safely. Blocking the bus lane can cause delays and pose safety risks to students.

Additionally, please remember to be vigilant of pedestrians. Many students and families are walking down our road, so driving cautiously in and around the school zone is essential. By following these procedures, we can work together to ensure a smooth and safe experience for everyone.

We appreciate your cooperation and continued support in keeping our school community safe!

Choir Retreat – November 21st, 2024 from 9 am – Noon

Once again, this year, we will be holding our choir retreat morning on Parent – Teacher Interview Day. All choir members are encouraged to join us at the school for a morning of fun, team building, and choir rehearsal time. A permission form will be sent home soon.

CBC Music Class Challenge – We are once again participating in the Music Class Challenge. We will video record our song and it will be submitted to CBC and posted on their YouTube channel. All submissions are entered into the challenge for an opportunity to win first prize (\$3000) in each category. More information will be coming. If DO NOT WANT YOUR CHILD IN THE VIDEO, please let Miss Boersma know. Your child should be practicing and memorizing the song. We are planning to record the song on Thursday, November 14th.
