PAC

We are still looking for volunteers to help with the planning and preparation for our annual Fun Fair; a large event put on by volunteers at the school to celebrate all our students and fundraise for our PAC. There are many games, raffles and prizes to be won through the generous donations of our community and small businesses.

Unfortunately, we have yet to find volunteers to lead the following committees in planning: Food and Service (must have food safe), Volunteer Coordination, Donations (this includes raffles and the silent auction), and Games and Activities. Without the help of our volunteers, we will not be able to host the fun fair this year. This is our final call for volunteers as we will need to start planning in the New Year.

We greatly appreciate anyone willing to offer their time to help get this event up and running. Looking to split a role with a friend? Absolutely! We are hoping to have multiple people working together to run each committee. The more volunteers, the lighter the load! There will also be many resources available to you through Fun Fairs prior and plenty of support provided by members of our PAC. If you are interested in volunteering or looking for more information, please contact Kayla Brodhagen at kmbrodhagen@hotmail.com.
