Comox Valley Schools expresses gratitude to supporters of the Grad Attire Program

COMOX VALLEY – The Grad Attire Program would like to extend our heartfelt appreciation to the generous members of our community for their invaluable support of our Grad Attire Program. Through your compassionate donations over the past four years, we have provided over 400 students with attire for their graduation.

The generosity of our community members ensures that every student can experience the joy and pride of their graduation day, regardless of financial circumstances. This collective effort reinforces the bonds that unite us as a community, emphasizing compassion, inclusivity, and solidarity. Crucial to the program's success is the generosity of Comox Valley Dodge for hosting the program above their showroom at no cost.

"Thanks to the incredible support from our community and Comox Valley Dodge, our students can celebrate their achievements with pride," said Craig Sorochan, Communications Manager, Comox Valley Schools. "The Grad Attire Program is instrumental in ensuring that no student feels left out on this important day."

Without the kind donations from our community, we would not be able to fulfill our mission of providing students with outfits for their special day. Every contribution, no matter how small, has made a tangible difference in the lives of our students, empowering them to step confidently into their future endeavors.
